Dear Sirs,

No.23154 - "EMPIRE ALDGATE"

Friends of ours for whom we act as insurance brokers, are interested in the purchase of this vessel. They advise us that the gross register tonnage is shown in the Government White Paper on Government Tonnage Disposals Scheme as 900, whereas she is shown in the Register as 485 Gross.

As the question of rating for insurance purposes is based to a great extent on the value per gross register ton it is necessary to have the correct figure.

In these circumstances we would be obliged if you would inform us the correct figure we may work on.

Yours faithfully,  
HARRIS & DIXON LTD.
