

Lloyd's Register of Shipping,

47, Church Street,

West Hartlepool, 3rd August, 1945.

Dear Sir,

With reference to your classing letter of the 31st ultimo regarding the lengths of raised quarter decks and trunks on the First Entry Report No. 18666 - "EMPIRE ALDGATE", we have to state that the length of the Upper deck trunkway noted on the report was the full length of the sides of the trunkway. It is seen from the classing letter that this left the raised quarter deck not exactly in accordance with Circular 1551. The lengths of the raised quarter deck and of the trunkways as stated in your letter are confirmed.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

per

The Secretary,
LONDON.
