Dear Sirs,

S.S. "GRIFONE"

With reference to your memorandum of the 22nd August, the Alexandria Surveyors were informed that the safety valves of the ~~starboard~~ boiler were adjusted at Odessa by the B.V. Surveyor.

There is no information in this Office to substantiate this statement and, in the circumstances, I shall be glad if you will contact the Owners and endeavour to obtain a copy of the Odessa Report, and furnish me with the position as soon as possible.

Yours faithfully,

Classification Manager.

The Surveyors,
NAPLES.
