Dear Sirs,

S.S. "GRIFONE"

Following the General Examination carried out on the above vessel at your port last month, the Committee have agreed to the postponement of the Special Survey until the end of December next.

You should inform the Owners that in order to complete the Main Boiler Survey which became due at the end of January last, the starboard and centre main boilers require to be examined and their safety valves to be adjusted.

Yours faithfully,

pro Classification Manager

The Surveyors,  
NAPLES.
