Dear Sirs,

"SAN FERNANDO"

We refer to our letter of 1st September 1964 and yours of 2nd August 1964 concerning the survey of the Screwshaft of the above vessel and wish to inform you that the vessel has been delayed in Colombo for over two months awaiting discharge. The vessel is scheduled to proceed to Mormugao to load for Japan where she will drydock when the Screwshaft will be withdrawn and examined.

We would therefore be glad if you submit our request to the Committee for deferment until the proposed drydocking.

Yours faithfully,
MANNERS NAVIGATION CO., LTD.
