Enclosure

Dear Sir,

With reference to your confidential letter of the 14th instant addressed to me in the case of the steamer "BOKKEVELD", I think I cannot do better than enclose herewith a copy of an official letter which has today been sent from this Office to the Owners.

You will see therefrom that the Committee have supported Mr. van Lare in his conclusions, and I shall be glad if you will notify him accordingly.

I may add that I am asking the Liaison Office at Blythswood Square, Glasgow, to acquaint their ex Surveyor at Port Natal of the decision at their discretion.

Yours faithfully,

A. H. Boyle, Esq.,
DURBAN.
