Sir,

CASTLE ?

S.S. "BOKKEVELD" ex. "OGMORE HEAD".

I have to acknowledge receipt of your Memo. T.14, dated the 12th. Ult.,  
her with a photostat of the original C11 Form.

I have checked over this copy - and find - that except for the two steel  
erected on the Centre Castle during the war - is not shown on the drawing,  
ention is made on a Supplementary Copy.

I am enclosing a Copy of the Provisional Load Line Certificate issued by  
ter the reclassification of the Vessel - when it was taken into the British  
ration.

The figures given on this Certificate were taken from the old Load Line  
ficate issued by Lloyd's - and which was withdrawn when the "Bokkeveld" was  
ssed in the British Corporation.

I have had a talk with Commander Boyle - Senior Surveyor in South Africa -  
he informed me that Lloyd's now require a reclassification of the Vessel be-  
a Load Line Certificate can be issued. This - I think - is rather hard on the  
s - who have already spent many thousands of pounds carrying out my require-  
s - and the ship is in very good condition. However - if it must be - the  
s must carry out your orders.

I am enclosing herewith the Photostat Copies which you sent me.

Yours faithfully,
