14th August, 1950

Dear Sir,

S.S. "LANARKBROOK"

With reference to Aberdeen first entry report No. 22869, I have to acknowledge the receipt of Aberdeen letter of the 3rd instant forwarding a copy of the certificate for the $6\frac{1}{2}$ Kw. Mawdsley Generator fitted in this vessel.

I shall, however, be obliged if you will ascertain from the Surveyors and let me know the number of the Crompton Parkinson $7\frac{1}{2}$ Kw. generator, in order to facilitate obtaining the necessary certificate in this instance.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
