Dear Mr Andrews,

Many thanks for your wire re the "SALACIA".
I must apologise for putting you to so much trouble but
without making a long explanation I think if you refer
to this vessel's particulars in the RMC section in Volume 1
of the Register Book you will see the reason for the
enquiry. The word "brine" will now be removed from the
column provided for "System of Refrigerating" thus putting the
matter in order.

Kindest regards,

Sincerely yours,

M. M. E. Andrews
