LLOYD'S REGISTER OF SHIPPING
ANTWERP.

7th April, 1956.

28.579 Dear Sirs,

"HILARY"

We have to inform you that the above vessel has been under survey at this port and that she is proceeding to Liverpool where the survey will be completed.

To complete the S.S. & LMC survey there remains to be done:-

Repaired bower anchor to be placed on board, safety valves of stbd. forward and after boilers and of evaporator to be adjusted.

Pumping arrangements to be tried.

To complete the installation of the new refrigerating machinery, the plant is to be examined under working condition, the cooling down test to be carried out, spare gear to be checked and the accuracy of electric thermometers and fan outputs, pressures, etc., to be tested by the contractors and statements of the results to be supplied.

Thanking you for your kind attention,
we remain, Dear Sirs,

Yours faithfully,
The Surveyors,
