Dear Sir,

I beg to acknowledge the receipt of your letter of the 12th instant enclosing classification certificates for the Hull and Machinery of the steamer "HILARY".

In reply to your enquiry I have to state that on consulting the Surveyor I am informed that the thickness of the second deck plating within line of the openings is as approved, and it is regretted that this was not made clear on the report.

I am, Dear Sir,

Yours faithfully,

D. M. Keith

Secretary to the
Liverpool Committee.
