PORT OF

GLASGOW

3rd August, 1940

Dear Sirs,

I have to confirm our telephone conversation of this morning regarding the Owners' proposal to fit a Marconi Echo Sounding Device (Crystal S.4.Ter Projector) in the S.S. "LARISTAN" and to state that the proposal will be approved, provided

- (1) the fitting be in accordance with the standard plan;
- (2) electrical connections be in accordance with the Society's Rules for vessels carrying petroleum in bulk;
- (3) the cables in cofferdam be enclosed in heavy gauge screwed gastight tubing. Converter boxes to be gastight;
- (4) fittings be of flame proof construction.

I am, Dear Sirs,  
Yours faithfully,

Secretary to the  
Glasgow Committee.

Messrs. Barclay, Curle & Co., Ltd.,  
Elderslie,  
GLASGOW.
