6th January, 1930.

Dear Mr. Shaw,

The Chairman has mentioned that when he was at Newcastle he saw, I think in his firm's Newcastle Office, a photograph of the very striking damage sustained by the bridge of the s.s. "LARISTAN" through stress of weather.

I have no doubt you have seen this photograph, and I should be much obliged if you would kindly see whether you can obtain a copy of it for me, as we should like to have a look at it here.

Yours faithfully,

T. Shaw, Esq.,

NEWCASTLE-ON-TYNE.
