M.S. "SHINWA MARU" - Report on the case of her loss.

Dear Sirs;

February 18 we received your letter of February 10 (your Ref. Publications R.B. 20/60).

We must inform you that SHINWA MARU had its port plate outside of NO.1 hold split at about 14:00, January 23 in the neighborhood of E.-124 28', N.-26 24' and was lost at 8:00 the next day at that place after the crew had been rescued.

On February 23 the ship was acknowledged by the relevant Bureau to have been foundered and her nationality removed. Therefore, we should like to have the name of the ship expunged from your Register Book.

Yours faithfully,

*M. Kotani*
