MIDDLESBROUGH.

12th January, 1951.

%Dear Sirs,

With reference to the pencil note on your Report No. 120863 on the Turbo Electric Machinery made by Fraser & Charles, their Engine No. 5404 and intended for the "SAN SALVADOR", Furness Yard No. 445, to the effect "to be rendered from London on completion of vessel", we have to acquaint you that this vessel is now completed and your account should accordingly be rendered.

We shall be glad to be informed of the amount being credited to this port for the fitting on board of this machinery.

Yours faithfully,  
The Surveyors,

per:- (sgd). W. Stewart.
