13th June, 1960 .

Dear Sirs,

s.s. "SAN CASTO"

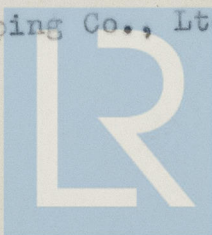

With reference to the classification of this ship in the Society's Register Book, I shall be glad to learn what arrangements you propose making for the Special Survey, due at the end of July, to be carried out.

I would inform you that as a result of a survey carried out at Birkenhead last October, the Liverpool Surveyors recommended that the two stay tubes in the Centre Box of the port boiler fitted with stoppers be specially examined and dealt with as necessary at the Special Survey or before the end of October, 1960.

Yours faithfully,

Clerk to the
Classification Committee.
