21st. February 1928

Messrs. Lloyd's Surveyors,  
Sunderland.

Dear Sirs,

No. 559, S. S. "SAN CASTO".

We regret to find that through an inadvertency you have been furnished with incorrect tonnages for the above ship.

It appears you were informed that the tonnages of the "SAN CASTO" were exactly the same as in the case of the "SAN CAMILO". This however is not so. Although they are sister ships there is a slight variation in the tonnages. We enclose a copy of the official tonnages of the "SAN CASTO" and we shall be glad if you will <sup>kindly</sup> have this matter put in order.

Apologising for the mistake.

Yours truly,

JOSEPH L. THOMPSON & SONS, LIMITED.
