Dear Sirs,

s.s. "PAN". We are in receipt of your favour of 13th inst
and it is quite correct that we are going to change the vessel's
Classification's Society.

The reason is that our other steamers are classed with the
Norwegian Veritas, and our Newbuilding will also be built to this
Society, and we therefore consider it most convenient for us, also
to take our s.s. "PAN" over.

Yours truly,

August Kjerland
