LONDON. E.C.3.

Dear Sir ,

With reference to your letter of the 15th April 1921 regarding the S.S. "SCYTHIA" Messrs Vickers Limited N° 493 which vessel has been completing joinery work etc. at Lorient , I beg to inform you that this vessel sailed from Lorient yesterday for Liverpool, where I understand some work still remaining to be done will be carried out and the Survey completed.

No part of the Survey has been held here; the Chief Officer informed me that it would be done at Liverpool, and I therefore return herewith Barrow 1st Entry Report N° 1892 on Machinery, and N° 1895 on electric lighting installation and also plan "diagrammatic arrangements of Switchboards etc.."

I am , Dear Sir ,

Yours faithfully,

Liverpool Surveyors are being advised.
