London, S.W.,
23rd. February 1921.

S/S " SCYTHIA "
Messrs. Vickers No. 493.

Sister to S/S " Samaria " & " Laconia "

to inform you that the watertight sub-division of this
been under consideration with a view to the issue of a
ing passenger certificate, and has been provisionally approved
urpose for a moulded draft of 31ft. 5ins., for the condition
than 12 passengers are carried all accommodated above "E"

ernative sub-division loadline has also been approved for
on when any of the passengers are accommodated between "E"
ke before and abaft the machinery spaces, and corresponds
d draft of 30ft. 0ins.

in the case of the sister vessels the centre of disc
correspond with the 31ft. 5ins moulded draft, the loadline
should be endorsed as follows:-

en more than 12 passengers are carried and any are accommo-
en E and F decks before and abaft the machinery spaces,
ing loadline shall not apply, and the maximum loadline in
for all seasons shall be 1ft. 5ins. below the centre of

d be glad to receive your confirmation of the position
e of disc for our record purposes.

I am, Sir,
Your obedient servant,

Alfred Daniel
Assistant to Principal Ship Surveyor.

y,
