Dear Sir,

With reference to our conversation regarding the AL SAID and the survey made by you in connection with the possibility of having her re-classified at Lloyd's, I now confirm that this Government have decided against reclassification in view of the high costs involved, and will probably purchase a new ship to replace the AL SAID, instead.

Thanking you for all your assistance given in this matter,

I am,

Yours faithfully,

W.F. WADDINGTON.

ZANZIBAR.

Surveyor,
