Yard No. 180. S/S: " MARY AISTON II."

Dear Sirs,

Referring to your inquiry we find that the question of plans for S.S. 180 as raised in letter of 26th. April 1920 was inadvertently not replied to.

We wish to confirm the S.S. 180 is a duplicate of S.S. 178, in all respects.

Engine No. 576.

The crankshaft on this engine was an exact duplicate of that fitted on engine No. 574.

We will post on to you tomorrow a print of this shaft.

Yours faithfully,

CRABTREE & CO. LTD.
