6th June, 1962.

Dear Sirs,

Steamer "SPETSAI PATRIOT"

At a survey held at Split in April, the screwshaft was drawn for examination.

It was recommended that the screwshaft be specially examined and dealt with as necessary before the end of July, 1962 and the Committee have continued the class subject, inter alia, to this examination being made by that time, the record of Screwshaft Survey 4.62 has been deferred meantime.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
TRIESTE.
