Dear Sir,

S.S. "SPETSAI PATRIOT"  
Trieste Report N°.15620

REIVED  
JAN 1962  
X  
With reference to your letter of the 23rd instant we have to confirm that a General Examination of the Main Machinery was carried out as per Circular N°.1959 during our recent survey of this vessel.

We regret that this was not mentioned in our report 9.

Regarding the last paragraph of your letter we have contacted the Owners who state that the vessel is expected to return to this port about the middle of March next, when the MBS will be completed.

Only the adjustment of the safety valves of the starboard boiler under steam remain outstanding to complete the MBS.

Yours faithfully

The Secretary
