FREEBOARD REPORT on the

at Glasgow Surveyor have now reported alterations, a corner 50m having
been fitted in place of the elliptical and the hatch increased in length
It is submitted the ^{amended} Freeboards given on the accompanying

ex HARPENDEN.

form, being those required by the Tables, merit approval, Subject to
1. Tashaulis being provided for No 5 hatchway
Efficient closing appliances being provided for the two ventilator
coamings in the well.

The Surveyor should be advised it is concluded that the hatch
bulkhead was moved forward and not aft as stated in the Report (para)
but they should confirm this
