# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

20th August 1921.

Dear Sirs.

I duly received your letter of the 9th instant in reply to my Classing Letter of the 29th ultimo, respecting the Steamer "SAN FELIX" (Your First Entry Report No. 74521), and the contents have been noted.

As it would appear from your letter that the fore-castle deck beams and beam knees fitted in the vessel are not in accordance with the approved plan, I have to request that you will forward the approved plan of the fore-castle, together with a sketch shewing the compensation proposed to be fitted in this vessel and in the sister ship No. 913 now building.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
