

WOKINGHAM COPY.

3rd January, 1941.

Sir,

I am in receipt of your Rpt. C12(a) and Form C11(c) the m/v "ARMADALE", and with regard thereto I have to inform that it has been assumed that an Annual Load Line Survey has been carried out and not a Renewal Survey as indicated on your Form C.11(c).

If this assumption is correct you should forward a Form C.11(a) which is the form which should be used for an Annual Load Line Survey of a British Ship

I am, Dear Sir,
Yours faithfully,

D. Lidgett, Esq.,
WELLINGTON, N.Z.

Clerk to the
Classification Committee.
