

WOKINGHAM COPY.

23rd September, 1940.

Dear Sirs,

I have to inform you that the Annual Load Line Survey of the steamer "ARMADALE" becomes due on the 28th December next, and the Owners state that the vessel is now repairing in Wellington and will proceed to Australia to discharge and it will probably be most convenient if the survey is held at an Australian main port before the date of expiry. They are writing to Messrs. Birt & Co. (Pty) Ltd. Sydney, asking them to attend to the matter.

I shall therefore be glad if you will be good enough to arrange for the case to receive the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
SYDNEY.
