WOKINGHAM COPY.

24th February 1942.

Clerk to the Classification Committee,
Lloyd's Register of Shipping,
WOKINGHAM.

Dear Sir,

m.v. "ARMADALE".

We have to acknowledge receipt of yours of the 23rd February regarding this vessel's Annual Load Line Survey.

We gave instructions for this vessel to drydock in Calcutta and renew the forward rigging there, in accordance with your requirements.

The vessel sailed from Calcutta on the 19th of this month, and though we are as yet without advices, we presume that she did drydock as instructed. It is therefore probable that the Load Line Survey was carried out at the same time.

Yours faithfully,
AUSTRALIND STEAM SHIPPING CO. LTD.

Managers.
