Dear Sir,

"ARMADALE"

This vessel, which was in port in Wellington for  
6 months, August/September 1940, repairing after a  
collision, took the opportunity to put through a great  
part of the No.3 Survey.

We should esteem it a favour if you would let us  
know what portions of this Survey remain uncompleted, in order  
that we may make arrangements to overtake some of this work  
possible.

Yours faithfully,

AUSTRALIND STEAM SHIPPING Co., Ltd
