Dear Sir,

Further to our letter of the 7th ult. regarding deferment of the Special Survey of the above ship, we beg to state that we are now in receipt of a letter from Messrs. Shell Tankers, reading as follows:

"The above named vessel becomes due for Special Survey in December 1958 and is at present engaged in the local trade Singapore-Pladju. Our intention is to replace the vessel by a group vessel which shortly becomes superfluous in another area, but we are informed by our London friends that they do not anticipate being able to take a decision at an early date, as the problem of replacement of vessels in the Singapore area is now being studied.

In this connection we request you kindly for a deferment of two months of Special Survey, by which time we expect to be in a position to make a firm recommendation for this vessel."

We shall be glad to learn whether this proposal can have your approval and remain,

Yours faithfully,

The Secretary,
LONDON.
