Dear Sirs,

S.S. "SAIDJA"

DEFERMENT OF SPECIAL SURVEY

The above vessel becomes due for Special Survey in December 1958, however we have been requested by our Rotterdam associates to apply for a deferment of Special Survey for a period of twelve months.

In this connection "SAIDJA" is scheduled for periodical drydocking in November 1958 at S.H.B. dockyard and no doubt the necessary requirements could be fulfilled at that time, meantime we shall await further advice from you and trust your reply will be favourable.

Yours truly,  
For: SHELL TANKERS LIMITED.,

Signed...
