Dear Sir,

I am in receipt of your letter of the 5th inst and I give to you, below, some precisisions.

- 1°) 30 fathoms of cable chain were missing, and were ordered by the Owners as soon as I required them, but 30 fathoms of the existing cable chain were damaged and I recommended to renew them at first opportunity (my report 8 N°21 and my certificate 10 of the 31st August) - They were ordered at once by the Owners, but I do not know if they are delivered yet.
- 2°) I confirm the machinery spare has been completely examined and put in order as necessary.
- 3°) The plate of bulkhead N°34 found by drilling 3m/m thick has been renewed.
- 4°) The two openings on bulkhead N°83, in lower tween decks are closed by watertight bolted doors; it is not intended to use them at all.
