Lloyd's Register of Shipping

Ref. S

S/S "SAINT BERTRAND"

Dear Sir,

I send to you, herewith enclosed, my Rpts. 8 & 9 N°21, concerning the "SAINT BERTRAND", and copies of the Certificates I made out on the 31st for being delivered on the 7th, and of the Certificates I delivered on the 31st August, when the vessel, after the damage repairs, was taken out of the dry-dock.

I have not maintained, in the recommendations of my Report, the reserve certificate concerning the repairs of the brass propeller and its fitting at first opportunity; the propeller was repaired in time and was ready on the 1st September, at 7h of the morning, just before the steamer sailed from St. Nazaire; it was more than we could expect.

Yours very Faithfully.
