RECEIVED

28 JUL 1948

ANSO.....

ERTRAND"

Dear Sir,

In confirmation of my letter of the 17th inst. I give to you below the translation of a letter I received from the Captain.

\$ I have to inform you that, by a letter from our technical
\$ Manager in Paris, we have been advised that orders have been
\$ sent to our HAVRE Agency to supply to our steamer, in the short-
\$ est possible delay, 30 fathoms of cable-chain of 60mm diam. and
\$ 220 meters of 127mm steel wire, in order to obtain the class
\$ 100 AI.

The Company accepted definitively the assigned free-board, but it is ascertained that the Custom Office Will add to the Gr. Tonnage the whole of the long forecastle.

Yours very faithfully:
