Dear Sir,

s.s. "SAINT BERTRAND"

I am in receipt of your letter of the 15th instant and in reply would remark that the equipment of this vessel should be in accordance with, or equivalent to, ~~that~~ given in table 53 of the Rules.

The additional 30 fathoms of chain cable now required should be 2.6/16" diameter and not 1.6/16" diameter as stated in my letter of the 9th instant, and I regret that this error should have caused you this inconvenience.

Yours faithfully,

Clerk to the  
Classification Committee

R. Y. Brunelliere, Esq.,
