

Lloyd's Register of Shipping,

14, Cross-shore Street,

Greenock, 24th August, 1942.

25 AUG 1942

Reference

Dear Sir,

"EMPIRE MIGHT".
Greenock First Entry Report Number 21932.

With reference to your letter dated the 22nd instant, Ref. S,
 I have to report as follows:-

The Watertight Bulkheads have been approved for a height to
 the 2nd deck only and the record for Register Book as per your
 letter is in order.

There is one opening in each of the upper tween deck bulkheads
 No. 55 and 96 closed by hinged W.T. Door secured by clips. The
 scantlings of the end bulkheads of the saloon house were detailed
 on the Freeboard C11 Report, the other scantlings being as follows:-

Side Shell plating .40" with single riveted edge laps and
 treble riveted butts. Side frames 4x4x50 angle spaced about 33"
 apart. (Upper deck sheerstrake not increased at end bulkheads).
 Deck plating 27".
 Beams 6 x 3½ x .37 angle spaced about 33" apart

Wood hatch covers have not been fitted to Nos. 1 & 5 hatchways
 in second and third decks, but it is stated these may be fitted at
 a later date. I regret this item was inadvertently omitted from
 the First Entry Report.

I am, Dear Sir,
 Yours faithfully,

The Secretary,

WOKINGHAM.
