Dear Sir,

s.s. "SAN WENCESLAO"

We thank you for your letter of the 2nd April informing us that the Special Survey for the above vessel becomes due at the end of May next.

We would refer you to our letter of the 25th August 1958, when we advised you that it was our intention to submit the vessel for a General Examination in May with a view to obtaining an extension of the Survey to coincide with the next periodical dry-docking in September 1959. This letter was acknowledged by you on the 27th August.

The General Examination for postponement of Special Survey 'C' was carried out at Newcastle-on-Tyne and the Certificate was dated the 10th October 1958 and signed by H.P. Urwin and N. Donaldson. It will be our intention, therefore, to carry out this Special Survey in October, as arranged.

Yours faithfully,
For: EAGLE OIL & SHIPPING COMPANY LIMITED

D S Leaver

Engineer Superintendent.
