Dear Sir,

I am in receipt of your letter of the 6th instant, together with Liverpool Report No. 117603 on the "EMPIRE AIRMAN" and plan received from the Sunderland Surveyors about the "EMPIRE MARVELL".

These have been noted, and are returned herewith, and I think it well to say that the question of the sternframes of these and other Tankers of the same type built, and building, by Messrs. Sir James Laing & Sons Ltd. and Messrs. The Furness S.B. Co. has been under discussion with the Admiralty, Merchant Shipbuilding Department, with the Builders, and with the local Surveyors, and the arrangements made were reported in detail to the London Office in my letter dated 3rd ultimo.

I am, Dear Sir,
Yours faithfully,

W H Betts

The Secretary,
WOKINGHAM.
