S/S "ALBISOLA"

Dear Sir,

We are enclosing herewith original letter dated 25th instant together with free translation of same, forwarded by the Owners of the above vessel, from which it will be seen that they request the withdrawal of ~~the~~ her class from the Society's Register Book.

We have been in touch this morning with Captain Gerrade of the above Firm, and pointed out to him that no surveys are due at the present time, and that the Special Survey N°2 does not become due until the end of October next.

This gentleman informed us, however, that the vessel is at Catania under survey for the Registro Italiano, and that although no surveys are due he regrets having had to come to this decision now.

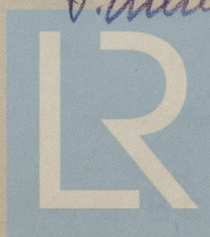

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS TO LLOYD'S REGISTER

The Secretary,
LONDON.
