19th October, 1934.

Dear Sir,

F.

With reference to your memorandum of the 13th instant and my reply of to-day relative to the completion of the Special Survey No. 1 of the steamer "COMEDIAN", I have to acquaint you that the survey held on this vessel in July last and the Annual Survey now carried out have been accepted as complying with the requirements of the survey for the extension of the freeboard certificate, expiring on the 31st instant, and in the circumstances the Surveyor should endorse the certificate and copy for extension for a period covering the vessel's return to this Country from her present contemplated voyage.

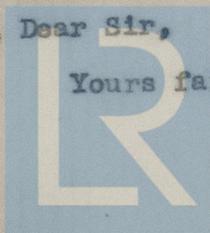

I shall be glad to be informed of the date entered on the certificate.

I have to add that as the certificate was expiring on the 31st instant, it was not in order for the Surveyor to carry out an Annual Survey at this time.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LIVERPOOL.
