Dear Sir,

In reply to your letter of the 5th instant respecting the machinery of the R.F.A. "TEAKOL" I beg to refer you to your letter of the 10th ultimo (Reference M) in answer to Mr. Shaw's inquiry, stating "that the Bolinder engines which have been supplied by the Admiralty for these vessels (R.F.A. "SPRUCOL" & "TEAKOL") were not built under this Society's supervision."

With regard to the date of survey I beg to state that L.M.C. 1.18 would have been recommended but in order to conform with the wording of the "B" Certificate enclosed with the same letter, the date of 1.18, after L.M.C. was intentionally omitted.

I am, Dear Sir,

Yours faithfully,

J. J. Davis
