L o n d o n .

Dear Sirs,

S.S. "KURZEME" ex "VALKA", Register book Nr. 92553.

In view of the fact that this steamer after she had
sufered an average near Rotterdam in January 1929, which
caused large repairs to a total amount of

Hfl. 79.000,-

and which repairs were performed at Rotterdam during January,
February and March 1929 under inspection of Mr. Horwater,
Lloyds Agent, we beg to inquire herewith what we have to do
to obtain renewal of Lloyds Clasification Certificate of the
Hull. The ship is due to pass survey in August 1930.

This refers only to the Hull. As to the Machinery,
Classification Certificate has already been obtained in March
1929, when the repairs where finished at Rotterdam, running
for four years ahead.

Thanking you in anticipation for your kind explanations
in this regard, we remain,

Dear Sirs,

Yours faithfully,

P. Schwab & Co.
