Less Crew Space 213.16

Depth "d," at middle of length (See Secs. 2 & 13) ... 25.25

Managers (Where necessary to be entered)

S.S. "STAKESBY, 4767 tons gross

This vessel has recently been completed at Sunderland, and First Entry Reports have been forwarded by the Sunderland Surveyors.

The construction was commenced in October 1920, and the vessel was launched in May 1921, and in accordance with Paragraph 7, Page 10 of the General Regulations a Date of Build of November 1921 (six months after the date of launching) was assigned by the Committee on the 6th instant.

A letter has now been received from the Owners stating that the vessel has been in the Builders' hands since she was launched and was not delivered to them until the 30th September 1922, and desiring a reconsideration of the Date of Build.

The Sunderland Surveyors have been communicated with, and state that the vessel was examined in dry dock on the 21st and 22nd September 1922, when the bottom, etc. was examined and found to be in good condition.

It is submitted that in the circumstances the Date of Build of this vessel might be recorded as SEPTEMBER 1922.
