

G.B.  
M.V. "CRISTO".  
-----

This vessel was formerly owned by Messrs. Van Oppen & Co.Ltd., and was sold in March last to the Darwen & Mostyn Iron Co.Ltd.

The Annual Survey of the Engines was held in March, and an account for the fee (£2-10-0) for this survey was rendered to Messrs. Van Oppen, who, in reply, stated that their Company was in liquidation and referred the Society to the new Owners.

The Darwen & Mostyn Iron Co. state that they cannot agree to pay the fee, and that as the vessel is registered with the Board of Trade they do not require the Society's certificate.

It is submitted that the vessel's class be withdrawn from the Register Book.
