ENCLOSURES.

3rd February, 1927.

Dear Sirs,

It is noted from your Survey Report No. 4051, dated the 17th December 1926, on the S.S. "AKUNA" that all the side scuttles which came within six inches of the load water line have now been permanently closed with riveted plates.\*

The freeboard certificate in duplicate is accordingly sent herewith for issue.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Surveyors,

MELBOURNE.
