-----  
The First Special Survey No.2, which became due in April, 1939, has been partly held.

The Society's Surveyors at Havre have now forwarded a letter from the Owners from which it appears they no longer wish to maintain the classification of the above vessel in the Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, the 7th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (...) inserted in lieu thereof indicating withdrawal of class<sup>640</sup> at Owners' request.
