24th May, 1913.

H. Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "PORTO SEGURO", I beg to remind you that a letter in regard to the survey which became due on this vessel's screw shafts in September last was written to you on the 20th February, to which I do not appear to have been favoured with a reply.

In the circumstances I shall be obliged if you will kindly let me know for the information of the Committee what definite arrangements you propose making with a view to the shafts being submitted to the inspection of the Society's Surveyors, in order to entitle the vessel to retain her class.

I am, Dear Sirs,

Yours faithfully,

Secretary.
