Dear Sir,

In reply to your letter of the 14th instant respecting report No. 113326 on "VIC 78", I have to report that the thickness of the raised quarter deck plating is .24", and regret that this should have been omitted from my report.

The forging report for this vessel were included and forwarded with the reports on the previous vessels;—"VIC 76" and "VIC 77".

I am, Dear Sirs,
Yours faithfully,

The Secretary,
LONDON.
