Lloyd's Register of Shipping.

INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

F.I.S.

(Port) M A R S E I L L E S.(Date) 2nd October, 1940.

I have to report that I have surveyed the Steamer
"B O N I F A C I O", of Dieppe, O.N. ----
on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

Owing to the present International circumstances, the Rpt. CII could not be obtained.

The 2nd Special Survey N°I has now been completed and a fresh record of survey 9.40 and the notation of S.S.Msl.N°I-40 is recommended.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. ---- dated 5th March, 1938.
~~which is returned herewith.~~

C. Falckner
Surveyor to Lloyd's Register.
